

SUMMARY OF THE SUBSTANCE OF INTERVIEW

Applicant thanks the Examiner for his time in conducting a telephone interview with Applicant's attorney Jie Zhang on November 17, 2009. During the interview, the Examiner and Applicant's attorney agreed that amending claims 17-32 to recite "computer-readable storage medium" instead of "computer-readable medium" would overcome the pending rejection under 35 U.S.C. § 101. In response, Applicant has amended claims 17-32 in a manner consistent with the claim amendment proposals discussed during the interview. As required by 37 C.F.R. § 1.133 and MPEP § 713.04 and agreed upon with Examiner, the substance of the interview is incorporated in this amendment and response.
